All packages require at least one face-to-face consultation with the bride and groom before the event. This will allow us to go over what style of photography you are interested in, any specific shots that need to be taken, and will give us the opportunity to ask each other questions and iron-out any fine details so that the day of the wedding goes smoother for everyone. You're welcome to bring along anyone else for the consultation (such as mother, wedding planner, best friend etc...) Upon booking with me, a deposit of \$300 is required to hold the date. It is refundable up until three weeks before the event. The rest of the payment must be collected the day of the event. I accept credit cards and an online payment option is available.
